

Covenantz, Inc.

Cookie Notice

[racetoverify.com](https://www.racetoverify.com) | Effective: March 2026 | v1 | Global

1. About This Notice

This Cookie Notice applies to www.racetoverify.com (the "Site"), a static informational microsite operated by Covenantz, Inc. ("Covenantz," "we," "us," or "the Company"). It explains how cookies and similar technologies are used in connection with the Site, who sets them, the legal basis for their use by jurisdiction, and what choices are available to you.

This Notice is directed at a global audience. Cookie consent requirements vary significantly by jurisdiction. Section 6 of this Notice addresses EU/EEA and UK-specific requirements in detail.

This Site has a minimal cookie footprint. Covenantz, Inc. does not directly deploy any first-party cookies, advertising pixels, or tracking technologies on this Site. Cookies present on the Site are set exclusively by Wix, the Site's hosting platform, and by any third-party platforms accessed through links on this Site.

2. What Are Cookies

Cookies are small text files placed on your device when you visit a website. They are widely used to make websites function correctly, to improve user experience, and in some cases to collect statistical information about site visitors. Cookies may be "session cookies" (deleted when you close your browser) or "persistent cookies" (which remain for a defined period or until deleted).

Similar technologies — including web beacons, local storage objects, and pixel tags — may serve related functions. References to "cookies" in this Notice include such similar technologies to the extent they are present on this Site.

3. Cookies on This Site

All cookies on this Site are set by Wix.com Ltd. ("Wix"), the Site's hosting platform. Covenantz, Inc. does not set, access, or control these cookies and does not receive personal data from them in identifiable form. The following categories may be present:

Category	Purpose	Set By	Legal Basis (EU/EEA/UK)	Consent Required (EU/EEA/UK)
Strictly Necessary	Site security, session management, load balancing	Wix	Art. 6(1)(f) Legitimate Interests — necessary for service delivery. Exempt from consent requirement under ePrivacy Dir.	No — exempt
Analytics / Performance	Aggregate visitor behavior; page performance; session analytics	Wix (platform analytics)	Art. 6(1)(a) Consent — required for EU/EEA and UK visitors prior to placement (ePrivacy	Via Wix system

			Dir. Art. 5(3); UK PECR Reg. 6)	
--	--	--	------------------------------------	--

4. Wix Cookie Disclosure

For detailed information about the specific cookies set by the Wix platform — including their names, durations, and exact purposes — please refer to:

- Wix Privacy Policy: www.wix.com/about/privacy
- Wix Cookie Information: support.wix.com/en/article/cookies-and-your-wix-site
- Wix GDPR Resources: support.wix.com/en/article/gdpr

Covenantz, Inc. is not responsible for the accuracy or currency of Wix's cookie disclosures and encourages you to review them directly.

5. Consent Management — Interim Posture

Covenantz, Inc. has selected Didomi as its Consent Management Platform (CMP) for the KiVerify™ ecosystem. Didomi deployment on racetoverify.com is anticipated in April–May 2026.

Prior to Didomi deployment, Covenantz's interim posture is as follows:

- Strictly Necessary cookies set by Wix for site operation are permitted without consent in all jurisdictions where they qualify as technically essential.
- Covenantz does not directly control whether Wix analytics cookies are set during the interim period. Covenantz is evaluating available Wix configuration options to suppress non-essential cookies for EU/EEA and UK visitors prior to CMP deployment.
- This Cookie Notice discloses the categories of cookies that may be present and their purposes, providing transparency in satisfaction of the notice requirement under applicable law. It does not substitute for a functioning consent mechanism.

6. EU/EEA and UK Consent Requirements

For visitors from the European Union, European Economic Area, or United Kingdom, the following applies:

6.1 Strictly Necessary Cookies

Strictly Necessary cookies (see Section 3) do not require prior consent under the ePrivacy Directive (Art. 5(3) exception) or UK PECR (Reg. 6(4) exception). These cookies are deployed to enable basic site functionality and cannot be disabled without preventing the Site from operating. No consent is sought or required for these cookies.

6.2 Analytics and Non-Essential Cookies

Under ePrivacy Directive Art. 5(3) (as implemented in each EU Member State) and UK PECR Reg. 6, prior informed consent is required before placing or accessing any non-essential cookie or similar technology on a user's device. Consent must be:

- Freely given — no pre-ticked boxes; no bundle of consents; no detriment for refusal

- Specific — granular by cookie category
- Informed — clear disclosure of purposes and parties before consent
- Unambiguous — a clear affirmative action (not silence or inactivity)

Didomi, once deployed, will implement a compliant consent mechanism for EU/EEA and UK visitors. In the interim period prior to deployment, please see Section 5.

6.3 Consent Withdrawal

Once Didomi is deployed, EU/EEA and UK visitors will be able to withdraw or modify consent at any time through the consent preference center accessible via the cookie banner. Withdrawal of consent does not affect the lawfulness of processing based on consent before its withdrawal.

6.4 Consent Records

Upon Didomi deployment, Covenantz, Inc. will maintain consent records as required by GDPR Article 7(1) and applicable supervisory authority guidance. Consent logs will be retained for a minimum of three years.

7. Third-Party Services — Luma

If you click through from this Site to the Luma event registration platform (lu.ma), Luma may set its own cookies and tracking technologies on your device. These are entirely independent of this Site and are governed by Luma's own privacy and cookie policies. Covenantz, Inc. has no visibility into or control over cookies set by Luma.

8. Your Cookie Choices

You can control and manage cookies through your browser settings. Most browsers allow you to:

- View cookies currently stored on your device
- Delete cookies individually or in bulk
- Block cookies from specific sites or all third parties
- Receive notifications before cookies are set

Please note that disabling Strictly Necessary cookies may prevent the Site from operating correctly. Browser-level cookie controls apply independently of any consent given through a CMP consent banner. For guidance on managing cookies in common browsers, visit www.aboutcookies.org or www.allaboutcookies.org.

9. California Residents — Additional Disclosures

This Section provides additional disclosures required under the California Consumer Privacy Act (Cal. Civ. Code §§ 1798.100 et seq.) as amended by the California Privacy Rights Act of 2020 ("CPRA"). These disclosures apply to California residents and supplement the Privacy Notice published at this Site.

9.1 Cookies and the Definition of "Sharing" Under CPRA

CPRA defines "sharing" of personal information as disclosing, making available, or transferring personal information to a third party for cross-context behavioral advertising, whether for monetary or other valuable consideration (Cal. Civ. Code § 1798.140(ah)).

Covenantz, Inc. does not operate advertising networks, retargeting pixels, or programmatic advertising infrastructure on this Site. Covenantz does not direct or authorize Wix to disclose Site visitor data to any advertising network for cross-context behavioral advertising. On this basis, Covenantz does not believe that cookies or analytics data collected by Wix on this Site constitute "sharing" of personal information as defined by CPRA § 1798.140(ah).

Accordingly, Covenantz does not display a "Do Not Sell or Share My Personal Information" opt-out link on this Site at this time. This determination will be reassessed upon each material change to the Site's technology stack, including Didomi deployment, and at least annually.

9.2 Global Privacy Control (GPC) — Interim Posture

The California Privacy Protection Agency has confirmed through regulation (11 CCR § 7025) that businesses subject to a GPC opt-out obligation must treat a GPC browser signal as a valid opt-out of sale and sharing of personal information.

Covenantz, Inc.'s current determination is that it does not sell or share personal information through this Site (see Section 9.1 above). On this basis, GPC signals received from California visitors do not trigger an affirmative opt-out obligation for Covenantz at this time, and no GPC-honoring technical mechanism is deployed on this Site during the pre-Didomi interim period.

If GRSM determines (pursuant to the AT() flag in Section 9.1) that Wix analytics data flows constitute "sharing" under CPRA, GPC recognition would become mandatory immediately and would represent a pre-launch blocker. Upon Didomi deployment, Covenantz will configure the CMP to detect and honor GPC signals from California visitors as a standing operational practice.

9.3 Sensitive Personal Information — Geolocation

CPRA designates "precise geolocation" as Sensitive Personal Information (SPI) subject to a right to limit use (Cal. Civ. Code § 1798.140(ae)(1); § 1798.121). Precise geolocation is defined as a geographic area equal to or less than a circle with a radius of 1,850 feet.

Wix's hosting infrastructure may derive approximate location data from visitor IP addresses. IP-address geolocation at city or region level does not meet the statutory definition of "precise geolocation" under CPRA. Covenantz, Inc. does not collect device GPS coordinates, Wi-Fi triangulation data, or any other signal capable of locating a visitor to within 1,850 feet through this Site.

On this basis, Covenantz does not classify any data collected in connection with this Site as SPI, and no "Limit the Use of My Sensitive Personal Information" link is required at this time (Cal. Civ. Code § 1798.135(a)(2)).

9.4 No Financial Incentive Programs

Covenantz, Inc. does not offer any financial incentive, price difference, service difference, or other benefit in exchange for the collection, retention, or sale of personal information in connection with this Site (Cal. Civ. Code § 1798.125(b)). No Financial Incentive Notice is required at this time.

9.5 Notice at Point of Collection

CCPA/CPRA requires notice "at or before the point of collection" of personal information (Cal. Civ. Code § 1798.100(b)). As Covenantz does not directly collect personal information through this Site, the primary point-of-collection notice obligation rests with Wix under Wix's own privacy policy.

This Cookie Notice and the accompanying Privacy Notice are accessible via footer links on every page of the Site. To the extent Covenantz has any independent disclosure obligation for Wix-collected data associated with this Site, footer placement of both notices is intended to satisfy

that requirement. California residents may also submit data rights requests as described in the Privacy Notice, Section 8.2.

10. Changes to This Notice

Covenantz, Inc. will update this Cookie Notice upon Didomi deployment to reflect the CMP implementation, granular consent categories, and any additional cookies introduced. The effective date above will be updated to reflect material revisions. We encourage you to review this Notice when you visit the Site.
